## *Bucksport Area Cultural Arts Society*

**BACAS**  
**FOUNDED 1999**

## Our History

*BACAS was formed in the spring of 1999, following in the footsteps of the the Cultural Arts Auditorium Study Committee. The committee worked diligently for 18 months pursuing all facets of enriching our community by bringing the reality of a cultural arts center in being. Ensuring the continued viability of such a project was also of importance to this group.*

## Our Mission

*The mission of BACAS is to stimulate the arts within the community and schools, provide a suitable space for the performing arts which is also audience friendly, provide work and a display areas that enable a strong community and academic arts program, and promote life-long learning experiences for the citizens of the greater Bucksport area.*
